# Winterbourne Junior Girls' School

## Year 6 Newsletter 10

Week ending: Friday, 18th November 2022

### Our Learning this week:

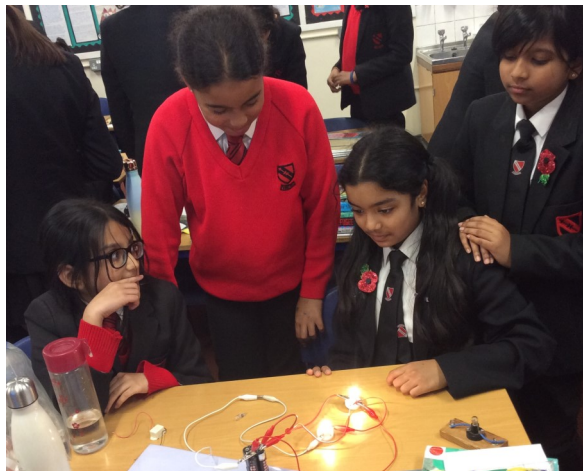

This week the girls have been exploring electrical circuits in Science: making them, drawing them and investigating what might pre-

vent a circuit from working.

In Art, we have been looking at different methods of shading and creating texture in a pencil sketch, drawing some historical ar-

tefacts linked to our learning about different time periods.

We researched the Spanish Flu epidemic of 2018, comparing life then and now.
