

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending Friday 4th November, 2022

This week, pupils have planned and written descriptions of settings, linked to our class text: *The Firework— Maker's Daughter*. They understand that good setting descriptions give the reader a sense of place. In Maths, they used the order of operations (BODMAS) to solve calculations with two or three number operations.

In Science this term, pupils will be undertaking various activities in a real life setting, exploring materials and their properties. This week, they conducted an experiment to determine the strength of plastic carrier bags.

To commence our RE topic, pupils discussed how events can be reported in different ways. On Wednesday, pupils played the Thinkers Game during their Philosophy for Children (P4C) lesson, where they explored the question: *What is more important, loving and looking after yourself or loving and looking after others?* They shared their viewpoints and justified their positions.

Curriculum

Class Text: *The Firework— Maker's Daughter*

English: Informal Letters

Math: Word Problems

RE: Christianity

Science Unit: Mysterious Materi-

Homework

10 min English & Maths Summer Workout 9

Times Tables: 2—12
