

Mrs Kidane – School Business Manager

Since my graduation in Accounting and Finance in 1997, I have worked in manufacturing, service, telecommunication and educational sectors.

I joined Winterbourne Junior Girls' School in June 2022, prior to that I was working in an independent school as a senior Finance Manager. I have got a Diploma in School Business management and I have taken several training to equip me to work as a School Business Manager of this fantastic school

I was also a governor of my local school for many years; served as chair of premises and vice chair of Finance Committees. In my spare time I love spending time with my family and do charity work.
