

Mrs Scott Cree - Deputy Headteacher & DSL

I have been teaching for just over 23 years. I graduated from Roehampton University with a BA Honors with QTS. I became an AST (Advanced Skills Teacher) and had the privilege of supporting other teachers across many school in Croydon. My passion is teaching alongside my favourite subject Art.

I am in my 9th Year as the Deputy of Winterbourne Junior Girls school and this has been my best part of my teaching career. I am the Mental Health Lead for the school and we pride ourselves on the support we give to our girls and their parents.

I run the social media pages for the school, so please make sure you follow us on Twitter, Instagram and Facebook.

I am proud to be part of such a unique school where we have gone from being the third bottom in Croydon to being in the top 4% of all London schools. We have received 'The Schools for Success' award 5 times now due to our outstanding progress at the end of Key Stage 2.

I enjoy all sports, especially swimming and in my younger days I was a lifeguard, water sport instructor and skiing support instructor. I love travelling and being in good company.
