Merry Christmas and a Happy New Year from the Year 3 Team!

A lovely end to a term full of hard work and high aspirations! We are so proud of the work the girls have produced and we hope they continue to keep up this level of work into the new year.

We have concluded our topic, who were the greatest builders in the world? The girls have gained an insight into the ancient civilisations in the world. They have thought about the types of buildings from different civilisations and how the Ancient Egyptians built the pyramids for the pharaohs to rest and transition into the afterlife.

Reading, reading, reading!

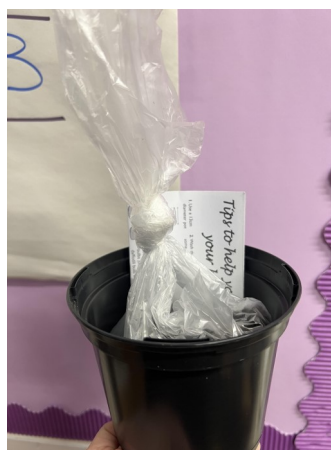

We have set the girls 4 books on MyOn to read over the holidays. The books have been set according to their reading age. Please ensure your daughter completes the AR reading quiz once they have read the book.

One of the books ABC's of Guatemala is a little insight into their new topic for next half term!

Daffodils

Please follow the instructions to grow the daffodils. The girls have been entered into a daffodil growing competition where judges will look at their daffodils in a few months. We will let the girls know when they need to bring their daffodils back!

Well done to the girls who received **100% attendance certificates**. They came into school every single day this term!

A special well done to our **students of the term!** Keep up the hard work!
