Star Students of the Term

Congratulations to the year 6 Students of the Autumn Term

You have lived out our ethos of Aspirations, Expectations, No Excuses and thoroughly deserve the accolade.

Our Learning this week:

Although it's been a busy week leading up to the end of term, we have continued to learn about measurement in Maths. The girls have practised converting between units of length and units of mass—the holidays are a great opportunity to spend some time on activities that involve weighing, such as cooking or baking! If there are weighing scales at home (not digital!), why not give your daughter some practice at reading scales?

BREAKING NEWS: Our SATs information evening for parents and pupils has been booked for **Wednesday 11th January 2023** at 4pm in the school hall.

We sincerely wish that the magic of the Christmas season fills your home with love, joy and peace. We are sending lots of warm wishes and thoughts to your families. Take care of yourselves and stay safe over the festive season. *The Year 6 staff team*

100% ATTENDANCE

Congratulations to all the girls in year 6 who were in school every day this term and have gained their 100% attendance certificates for Autumn 2022
