

Winterbourne Junior Girls' School

Year 5 Newsletter

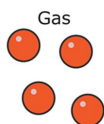

Week ending Friday 2nd December, 2022

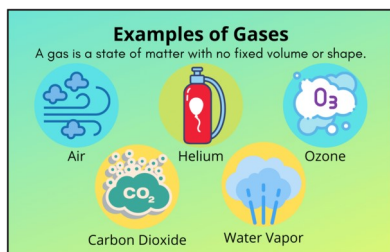

This week, pupils have written a diary entry as Laila, a character from our class novel—The Firework Maker's Daughter. In reading they explored Language Structure, discussing how writers choose their language deliberately to have an effect on the reader. They also completed STAR Reading and Grammar tests.

In Maths, they added and subtracted mixed numbers with and without regrouping. They demonstrated their competence with this concept by completing word problems. Pupils also completed their STAR Maths test.

In Science pupils discussed gases as a material whose particles have high energy and a great deal of empty space between them, which have a lot of kinetic energy. They completed several mini investigations to demonstrate that there is gas present in the atmosphere.

particles in a gas

Curriculum

Class Text: The Firework—Maker Daughter

English: Newspaper Reports

Math: Multiplying Fractions

RE: Christianity

Science Unit: Mysterious Materials

Kindness

Bina
Geanelle Emilia
Aaliyah Millie

PE

Malaika
Esther & Princy

Controversy
Convenience
Absence
Audience
