This Week...

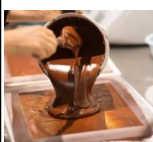

English

Charlie and the Chocolate Factory.

This week the girls continued to plan, write and design their advert for their chocolate using persuasive and descriptive language. They also wrote a recipe for chocolate that included all the ingredients and instructions.

Mathematics

The girls learnt to divide 2-digit and 3-digit numbers with remainders. They also completed their maths

assessment.

Science

We explored the reversible change when ice comes into contact with warmth or heat. We used the VR headsets to see where this happens in nature by looking at frozen landscapes. A heated egg was used to show an irreversible change.

Geography and PSHE

The lesson reflected on the topic question *Should we stop eating Chocolate?* The girls also examined the question *How has cocoa farming helped to stop the deforestation of Rainforests?* and how Fairtrade has

helped cocoa workers earn more money.

We are currently running our annual **Christmas Raffle**. The prizes will be on display in the corridor. A page of 5 tickets cost £1 and 1 ticket is 20p. The draw will be next Friday.
