

## Sports Premium Projected Spend 2022/23

Detail	Grant	Why?
<b>22/23 Grant</b>	<b>£18,644</b>	
<b>Carry Forward from 20/21</b>	<b>£0</b>	
<b>Available Sports Grant</b>	<b>£18,644</b>	
Once again, we have bought into the Croydon Schools Sport Partnership (CSSP/Folio Education Trust).	£4,567	This will give our pupils access to inter and intra school competitions. The CSSP will continue to give staff access to training to develop their own teaching skills. Membership will improve the quality of teaching and introduces the staff and school to new initiatives e.g. Real P.E.
Female coach to teach and train staff in PE delivery once a week in Years 3 to 6 (part funded by this grant)	£10,000	This will allow all our pupils access to PE lessons taught by professionals with a high level of skill and a wide range of knowledge about different sports and will allow for TA continuing professional development in P.E. The coach will plan and deliver sessions with the TA observing, they will then team teach a session and finally the TA will deliver a session under the supervision of the coach. Teacher training and CPD discussions will also facilitated by the coach
Whole school enrichment sessions - Hula hooping, Zumba, Kick Boxing – throughout the year	£900	Helps develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun. Sessions to incorporate key childhood development elements - confidence, self-esteem, memory, creativity, coordination, cultural awareness.
Sports Week: Whole school Sports Day at Croydon Arena	£600 Hire + equipment	This experience offers a real life Olympic experience, children who have never run on a synthetic track or never had the opportunity to run a lap (400m) of the track. Spectators will be encouraged and a set of parent activities will enhance the experience for all – encouraging healthy lifestyles.
Sports Week:– Transport via coach to the Arena	£500	Transport for pupils to and from the venue
Sports Week: Healthy lifestyles	£660	Health and wellbeing benefits for children, from improving co-ordination and flexibility, building muscle strength to reducing stress and boosting energy levels, healthy recipes, understanding hydration and sleep patterns
