This Week...

English

Charlotte's Web

The girls wrote a non-chronological report on spiders using the 'hamburger' strategy. We discussed:

What is a non-chronological report?
What is the purpose of a report?
What are the features of a chronological report?
How to Identify connecting adverbs and explain why they maintain cohesion within a paragraph.

Mathematics

This week we focused on mixed numbers: how to write mixed numbers, showing mixed numbers on a number line, finding equivalent fractions and simplifying fractions.

History

We also looked at why the Romans came to Britain and enjoyed learning about Boudicca and how interpretations of history can be

different. We all had a different viewpoint on how Boudicca looked from the same description. We also looked at Kosher food.

Computing

The girls learnt how to record information and

highlight certain data in spreadsheets. They also learnt how to total columns and rows.
