This Week...

English

Charlotte's Web The girls wrote about *How a spider builds its web*. They had to write in the format of a non-chronological report using the 'Hamburger sentence' strategy.

Mathematics

The girls learnt how to simplify improper fractions, add fractions with the same denominator, and record answers as mixed numbers.

History

The lesson identified how trade affected life in Roman Britain.

Monday Geography Enrichment Day The activities focused on applying map skills and included field work in the local area.

Tuesday Lion King Movement and Music Workshop: The class virtually joined the Disney theatrical teaching artists. They explored the choreography and music from the award-winning show.

Friday Holocaust Memorial Day In assembly today, we commemorated this special day by paying tribute to and remembering the victims of

these atrocities. In class we listened to Peter Lantos, a Jewish Holocaust survivor from World War II, talk about his experience, and give a

reading from his book, *The Boy Who Didn't Want to Die*. We also explored this year's theme: *Ordinary people*.

Tonight, across the country, many landmarks will be illuminated with purple lights as a symbol of commemoration and solidarity in honour of Holocaust Memorial Day.
