Happy New Year!

We hope you all had a restful break! The first week back has already been filled with lots of sweaty work.

Maths:

We have finished our multiplication and division chapter. We will still keep practicing the skills learnt and apply them in weekly arithmetic and multiplication tests. The girls also practiced solving multi step word problems using bar models.

English:

We practiced answering questions about the meaning of phrases and words using context clues. Try to use this skill when asking your children questions about the books they read at home. They should answer these questions in their log book.

For example: What do you think the writer is saying when they _____ ?

Value of the month:

Ambition

Bucket Fillers

3.1: Ela U

3.3: Amani

STARS OF THE WEEK

3.1: Areesha & Shamsa

3.3: Zoha & Davina

Topic Title Page:

We are ready to start our new topic for this half term, next week. Our new topic title is: Let's Go On An Adventure. Would we like to visit Guatemala?

The subject focuses are D&T, History and Geography. We are learning all about Guatemala, a country in Central America. We will recall our learning about the ancient civilisations and buildings and explore the story of the discovery of the Tikal city site in Guatemala. We will also be exploring the physical and human features of Guatemala.

Computing:

Our new topic is learning how to use Google Slides. This week we learnt how to create a Google Slides document, insert text boxes and word art. Pupils learnt how to recap and practice the following features to improve their text box: border weight, border dash, border colour, fill colour, font size and font name.
