This Week...

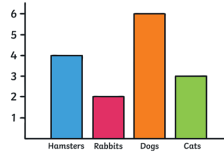

English

This week we started reading the children's classic: *Charlotte's Web*, written by E.B. White and published in 1952. The widely read tale takes place on a farm and concerns a pig named Wilbur and his devoted friend Charlotte, the spider who manages to save his life by writing about him in her web.

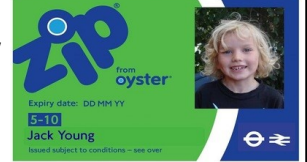

Mathematics

The girls have started to read and draw bar graphs. This includes identifying the x and y axes, interpreting the information in tables and graphs, and using the scales on the graph to identify values.

Please could you apply for an Oyster Zip Card for your daughter.

She will need it to travel to the swimming lessons. The school office are able to provide support if you are experiencing difficulties.

Swimming

Class 4.1 started their swimming lessons this week. They're all very excited about it.
