Year 5 Newsletter

Week ending Friday 6th January, 2023

This week, pupils concluded their Trainee Scientist Unit "Mysterious Materials" with an investigation into finding the best material for insulating ice.

This is to certify that

Year 5

Graduated from Materials Academy as a
Materials Scientist.

In English, pupils completed reading comprehension, exploring Point Evidence Explanation — PEE. The class text for this term *Kenzuke's Kingdom* was introduced and pupils made predictions about the story from the front cover. Pupils also completed their Star reading test.

Pupils used concrete materials and pictorial representations to multiply two proper fractions in Maths. They also constructed line graphs based on their result from their science investigation and completed the Star Maths test.
