

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending Friday 10th February, 2023

This week, pupils completed a non-chronological report on "How to survive if stranded on a deserted island". This was our final writing activity based on the class text: Kensuke's Kingdom.

In Maths, they continued the concept *Ratio*, solving word problems, comparing and simplifying three quantities and finding the missing numbers in equivalent ratios which consist of three quantities.

To conclude our Geography topic, pupils researched Duluth, a port city located on Lake Superior in the U.S. state of Minnesota. They explored and compared Duluth with their locality and decided whether it was a good place to live. Pupils produced a poster of Duluth.

Pupils consolidated work done during their Equalities workshops by producing posters of what they have learnt.

This week is Children's Mental Health Week. Pupils designed and exchanged cards on the theme of Let's Connect.

Pupils also enjoyed a 30 minutes session of Brazilian Football on Thursday.

Curriculum

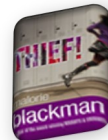

Class Text: Thief

English: Predictions about text

Math: Decimals

RE: Christianity

DT/Science Unit: The Fairground

Kindness

Genevieve Aafia

PE

Hasanat Adeena
Amelia Alexandra
