Week ending: Friday, 24 February 2023

### This Week...

#### English

##### Charlotte's Web

The girls learnt about the features of a Newspaper Report answered questions

using the 5Ws. They also learnt how to write catchy headlines.

#### Mathematics

On Monday we finished the unit on Time. For the past 4 days we have been working on Decimals and comparing fractions involving tenths and hundredths to decimals.

#### History

We looked at the history of chocolate. How the cocoa beans were initially grown in Mezo America and how it was brought back to Europe. We then explored the development of chocolate in Europe. The girls performed market research to find out which chocolate aimed at children is their favourite.

#### Religious Education

We explored the theme *Forgiveness* and thought about scenarios where we can forgive.

#### PSHE

We discussed how we have real friends in different places: school, family, place of worship, neighbours etc. This has helped us realise that having several friends is a good idea as it helps prevent isolation and loneliness.
