Winterbourne Junior Girls' School

Year 6 Newsletter 21

Week ending: Friday, 24th February 2023

Our Learning this week:

We have been revising classification of plants and animals this week, and the girls had a chance to practise what they had learnt at the Sutton Eco Centre, where 6.1 went to do some pond dipping. As well as finding and investigating a range of pond creatures, we discussed how vertebrates and invertebrates are classified, using this knowledge to group different creatures. The trip was enjoyed by both pupils and staff, and we didn't really notice the chilly weather!

World Book Day

We will be marking World Book Day next Friday, March 3rd, with a pyjama day and activities including a book marathon. Girls can wear clean pyjamas and bring slippers to change into at school.

Star Students

6.1 Alexandra, Dereen
6.2 Maria S, Anjanah
6.3 Aaliah, Stella

Bikeability

Cycle lessons have started and if your daughter has been selected to take part, she should have brought back her consent letter today.

Any letters still to be handed in, must be at school on Monday, when the Year 6 girls start their lessons. With an early start, there will be no time to call parents.

6.1 Subeydo, Vanessa
