This Week...

English

Charlotte's Web

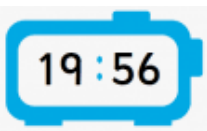

The girls wrote the introduction to a persuasive letter. They pretended to be Fern asking Mr Zuckerman to spare Wilber's life.

Mathematics

The maths this week was very challenging. The girls learnt how to add fractions with the same denominator, record the answers in the simplest form, subtract a fraction from a whole number and subtract a

fraction from a mixed number.

Today, we started time by

converting time from a 12-hour clock to a 24-hour clock and vice versa. Please could you reinforce the time lesson during the weekend with your daughter as this is a very important skill to learn.

History

We examined other groups of people who invaded after the Romans left like Angles, Saxons, Jutes and Picts.

Religious Education

We learnt about the significance of the Passover to Jewish people. We

discussed the importance of the Seder plate/dish or the Ka'arah as it is known in Hebrew. Can you name the 6 items of food?

Computing

We used the Wizard Function to calculate test percentages test averages and formatted numbers .
