Year 5 Newsletter

Week ending Friday 3rd February, 2023

This week pupils completed assessments in Maths, Reading and SPaG. They also wrote informal letters, writing as a character in the classes' novel.

In Maths, they were introduced to Ratio. They have learnt to simplify and make equivalent ratios.

As part of our topic: *Who are We? Why do I live here?* pupils used Google Earth to investigate the Great Lakes found on the USA and Canadian borders, identifying the bodies of water which connect them and tracing a route from Lake Superior to the Atlantic Ocean.

Our study of Hinduism continued in RE where pupils researched and completed fact files about Hindu Gods and Goddesses.

Pupils also completed their 4th session of their Equalities Workshop. They explored the concepts Equality and Racism. Pupils discussed given scenarios, explained how the characters felt and suggested ways to help.
