Winterbourne Junior Girls' School Year 6 Newsletter 19

Week ending: Friday, 3rd February 2023

Our Learning this week:

This week in Maths we have moved on to reading and interpreting pie charts. The girls have expressed data in terms of numbers and amounts, fractions and percentages—using their knowledge of geometry to divide the pie chart circle into equal parts.

In PSHE we have looked at how charity fundraising works; the girls will be selecting a charity and planning a fundraising event on paper—maybe some of their ideas will be useful later in the year!

Our Ofsted visit

Ofsted were in school on Thursday and Friday this week and some girls have spoken to the inspector about their learning. We were proud of them, as always.
