Science Fair 2023:

Thank you to everyone for attending our science fair, in honour of Science Week 2023. Year 3 worked hard to investigate their hypotheses and write up their investigation.

Special shout out to De'Andra and Areesha from 3.1 and Eva and Sa-fiyah from 3.3, for showcasing our investigation in a confident and knowledgeable manner.

The girls also enjoyed visiting the other exhibits and exploring their investigation and finding out if their mini hypotheses for their experiments were correct or not.

STARS OF THE WEEK

3.1: De'Andra & Areesha

3.3: Jannat & Zahra

Maths:

We have had an intense week of learning about time. The girls have recapped their learning from year 2 and have learnt about how to tell the time in different ways.

Please encourage your girls to tell the time at home using an analogue clock in various ways.

- (a) It is 9:30 in the morning.
It is 9:30 a.m.
- (b) It is half past nine in the morning.
- (c) It is 30 minutes past nine in the morning.

Daffodils:

Thank you to all the girls who grew their daffodils in the winter months. We are proud of the girls who followed all the instructions carefully and showed responsibility towards growing a plant.

Last week, a special visitor came from The London Children's Flower Society to speak to the girls about their growing experience (what they enjoyed about growing a daffodil and any challenges they faced). The visitor then judged their daffodils and awarded a bronze, silver or gold certificate.

Reading Certificates

These girls achieved a reading certificate as they scored 90% or above.
