

Value of the Month
for March:
Hard Work

Winterbourne Junior Girls' School

Year 6 Newsletter 25

Week ending: Friday, 24th March 2023

Our Learning this week:

This week we were busy doing assessments—Arithmetic and Reasoning in Maths; Spelling, Punctuation and Grammar, and a Reading paper.

We have also had some Art lessons based on our Lady of Shalott text, focusing on sketching techniques and creating observational drawings.

In Science we revised the topic of life processes—linked different organs to different processes and used the acronym Mrs Gren to remember!

Our undefeated Netball team!

We are very proud of our Year 6 Netball A team—some of whom you can see on the left. They are undefeated this season and have not only played brilliantly but also been fantastic sporting representatives for WJGS. They have an impressive scoring average!

Easter tuition

Selected girls have received an invitation to Easter Booster groups. With SATs nearly here, our assessment results show that these girls really need a final push to get them safely over the pass mark in one or more subjects. Please ask your daughter if she has a letter and return the slip as soon as possible.
