

Winterbourne Junior Girls' School

Year 4 Newsletter 26

Week ending: Friday, 31 March

This Week...

English The Tempest

The girls wrote a monologue from Ariel's point of view: how Ariel wants her freedom.

Mathematics - Measures

The girls have learnt how to calculate the area of a polygon, and compare the perimeters and areas of rectilinear shapes.

Geography

We looked at trains around the world and what they look like in different countries: Canada, Sri Lanka, Australia, Trans-Siberia Railway and the Inca Railway.

Religious Education

The girls wrote an acrostic poem on forgiveness. We discussed how this fits in with our school values.

PSHE

The girls learnt about assertiveness and their inner strength, and how this can help us resist negative peer pressure.

Easter Eggs

The girls thoroughly enjoyed the Easter egg hunt today.

Multiplication Worksheets

The children have been given multiplication worksheets to complete over the Easter holidays.

Online Multiplication Tables Check (MTC)

We are asking all parents and carers to support their daughters by ensuring their child logs into PurpleMash MTC each day to complete the quiz.

The PurpleMash MTC has 25 multiplication questions and allows 6 seconds to answer each question. This is in preparation for the national online MTC in June, that is statutory for our school.

In order to do well, your child needs to fluently recall their times tables up to 12, which is essential for future success in mathematics. If there are tables that they do not yet know, then they will have to learn them over the holidays.

Easter Message

We would like to wish everyone a lovely Easter break. We look forward to seeing the girls back on **Monday, 17 April.**

Stars of the Term

Congratulations to the following girls for their tremendous effort over the term:

- 4.1 Inayah
- 4.2 Elizabeth

Player of the Week Certificates

- 4.1 Skyler
- 4.2 Alisia

Subject	Homework	Due Date
