Year 5 Newsletter

Week ending Friday 31st March, 2023

This week pupils wrote newspaper reports based on an event in the class text. They have included features such as direct and indirect quotes, orientation and reorientation, headlines and by-lines.

In Maths, pupils calculated the statistical average — Mean and applied their knowledge of finding the mean to solve word problems.

Pupils completed their Shaky Hand Tester in DT, creating a circuit that works.

Our Project

To celebrate Easter, pupils listened to a special assembly of the Easter Story and enjoyed an Easter Egg Hunt.
