

**Value of the  
Month  
for March:  
Hard Work**

# Winterbourne Junior Girls' School Year 6 Newsletter 26

**Week ending: Friday, 31st March 2023**

## Our Learning this week:

We have continued with our Science revision this week, looking at the digestive system and its functions.

In Maths we have been problem-solving using reasoning and the SIFT strategy—ask your daughter what the letters stand for!

In Art we have observed and drawn elements of Pre-Raphaelite paintings of the Lady of Shalott, sketching the Lady's face using tonal sketching techniques and sgraffito to draw images of poppies with oil pastels.

**Students of the Term**  
Congratulations to the girls, who each won the Student of the Term award in their class for their hard work and commitment to learning, as well as their kind and helpful attitudes. The girls have worked hard this term—well done!

## Our Easter Raffle

There was great excitement during our final Assembly this week—as well as finding out who our Students of the Term were, the girls also took part in our Easter Raffle with prizes kindly donated and many tickets bought. The proceeds from the raffle all go to benefit our pupils, so a big thank you to all those who took part.

## Easter Tuition

We are delighted to be offering the girls *free* tuition over the Easter break to ensure that they have the best opportunity to do well in their SATs.

Please remember that if your daughter is being collected, she will be ready to leave at 2.30pm.

Have a great break and we look forward to seeing everyone back in April.

## Homework

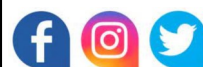

The girls are taking home booklets for Easter (see below) so that they can keep up with their reading, Maths and SPaG during the break. This is very important with SATs just a few short weeks away, and half an hour of study each day should ensure that your daughter comes back to school on the 17th ready to take on her exams!

## School rules

The girls have been reminded that they should not be bringing any personal items into school—such as stationery or toys—unless these have been requested as part of their learning.

Subject	Homework	Due Date
English	♦ SPaG test Spring 2	Mon 17.4
Reading	♦ Reading Comprehension: 3 text booklet	Mon 17.4
Maths	♦ Easter Maths activities (booklet)	Mon 17.4

## Follow us on

There are some great items of interest .
