Value — Hard Work
Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do. Pele

This Week...

English

Charlotte's Web

A very busy week. We concluded the Newspaper Report on Wilbur and his possible future, watched the movie *Charlotte's Web*.

Mathematics

We learnt how to divide 1-digit and 2-digit numbers by 100, add or subtract tenths and hundredths from a decimal, use number lines and

place value counters to solve and write decimal numbers in hundredths.

Design and Technology

The girls designed the packaging of their chocolate box. Please

encourage your daughter to make notes on the chocolate she brings home — especially about its taste.

Science

We started preparing for the science fair. Each class has a different topic to investigate so soon we should be able to see the results from all the classes at the science fair.

PSHE We looked at ways of managing friendships: recognising how different friendship groups are formed and discussing scenarios where there is conflict and how we could solve them.
