

# Winterbourne Junior Girls' School

## Year 5 Newsletter

Week ending Friday 3rd March, 2023

This week, pupils compared two characters in the text, using a Venn Diagram to plan. They wrote a detailed comparison of the characters based on the character's thoughts, actions, feelings and interaction with others. In Maths, they consolidated work on multiplying and dividing by 10, 100 and 1000. Pupils continued their Science experiments discussing their research and making observations in readiness for their Science Fair.

Pupils enjoyed an online session on Fairy Tales on Monday and a Readathon on Friday in celebration of World Book Day.

### Curriculum

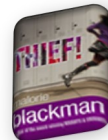

**Class Text:** Thief

**English:** Letter Writing

**Math:** Converting Length
