## Year 3 Newsletter

We're working  
towards Artsmark  
Awarded by Arts  
Council England

**Week ending: Friday, 12 May 2023**

### English:

The girls have learnt how to accurately use fronted adverbials and adverbs to express pace and time. They have stepped into the shoes of the main character Mary and have imagined the scene where Mary has finally discovered the key to the secret garden!

We have also started to watch the movie and the girls have been making comparisons between what they have read from the book and then what they can see in the movie. The girls are hooked!

### Maths:

The girls have had a successful week of 'sweaty maths'. They have learnt about equivalent fractions using fraction bars and multiplication and division. They have also been able to compare fractions with the same and different denominators. We will be finishing off fractions next week.
