Week ending: Friday, 12 May 2023

This Week...

It's been a very busy week! The girls have worked very hard!

English - SeaBEAN

We wrote Alice's blog entries describing the events of Chapter 1. We also identified features characteristic of a blog.

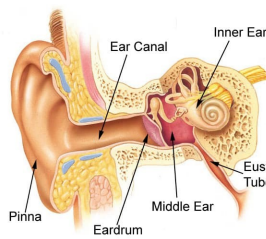

The girls are really interested in the events and this is shown in their vocabulary choices in the work.

Mathematics - Position and Movement

The girls learnt to describe positions on a 2D grid as:

(i) distances in the horizontal and vertical directions and (ii) co-ordinates in the first quadrant. They also plotted specified points and drew the sides to complete a given polygon. Yesterday and today we explored translations.

Science They learnt how we hear and then labelled the parts of a human ear and identified the path of the

vibrations.

Religious Education

We have looked at different celebrations in the Jewish religion and how each one shows their commitment to God.
