This Week...

It's been a very busy week! The girls have worked very hard!

English - SeaBEAN

We read and analysed Alice's Blog #2 of SeaBean. We looked at the how Alice entered the Black Box known as C-Bean Mark 3 and what happened inside. How it understands Alice's mind and gives her needs.

Mathematics - Multiplication

The girls having been applying their multiplication knowledge to work out multiplication problems. We have

used this knowledge to solve multiplying a 3- digit number by 1 and 2-digit numbers. This has been a great opportunity for a practical revision of the times tables we are learning.

Science

We discovered that sound can travel through different mediums. We discussed how synchronised swimmers hear underwater and how dolphins communicate underwater. We then investigated using a string telephone, a cup on

the wall and listening to a pencil on the table.

Religious Education

We thought about the most

important parts of our lives.

PSHE

We looked at how we can show love and appreciation for animals and people in our life.
