Year 5 Newsletter

Week ending Friday 26th May, 2023

This week, pupils worked in groups to create a playscript of one scene from the Highwayman's narrative poem. They discussed features such as: cast, narrator, stage directions, dialogue and the associated punctuation. They rehearsed, performed and evaluated their scenes. Grammar and Star Reading tests were completed.

In Maths they continued finding missing angles in a triangle with focus on the Isosceles and Equilateral Triangles. Pupils understand that there are two equal sides and angles in an Isosceles triangle and three equal sides and angles in an Equilateral Triangle, and applied this knowledge to find the missing angle. Star Maths test was completed also.

Pupils continued and refined their sketches of the *Highwayman in the trees* in the style of Charles Keeping and produced some great work.

In Computing, pupils used a spreadsheet to help calculate the cost of a cake recipe.

As a conclusion to our DT project—The Fairground, pupils showcased their carousels for parents.
