Year 6 Newsletter

Week ending: Friday, 26th May 2023

After the half term

we are looking forward to some exciting learning, including a Design and Technology project and Arts Week. We will be continuing with PE on a Tuesday until writing assessments have been completed. Please ensure that your daughter has the correct PE kit - this means that shorts should be of the appropriate length.

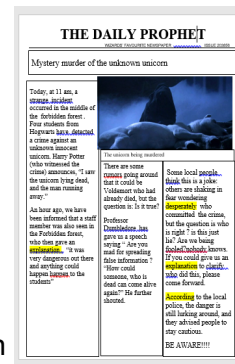

Beekeeping Experience

If your daughter has been invited to the Beekeeping Experience, please check that you have filled in both of the replies required - the consent slip should have been brought back to school this week, and there is also a form attached to the Parent Mail you received, which should be completed and returned to the provider.

Our Writing Project

This week we have been immersing ourselves in some creative writing tasks - the girls have written a persuasive letter in the role of Professor Dumbledore and completed a set of instructions for capturing a dragon, based on the style of Neil Gaiman. They have worked very hard and produced some great pieces of work, including their latest newspaper report about the slaying of a unicorn in the Forbidden forest at Hogwarts.

Star Students

- 6.1 Camila and Vanessa
- 6.2 Imade and Christabel
- 6.3 Iqra and Shanecia

Well done to the girls who took the opportunity to design the Giraffes to symbolise all that they love about WJGS, and their own identity and heritage. Through their art work, they will play a central role in the London Borough of Culture 2023.
