Week ending: Friday, 05 May 2023

We're working
towards Artsmark
Awarded by Arts
Council England

English:

The girls have practiced using inverted commas to write speech between the different characters in The Secret Garden as well as a conversation with themselves (monologue). They have been able to accurately follow a checklist to insert inverted commas around the spoken words and write a range of reporting clauses. We look forward to seeing more speech in their writing now!

Maths:

The girls have been getting on well with fractions. We have recapped halves, quarters and thirds. They have understood the key terms, numerators, denominators, parts and wholes. The girls also practiced finding fractions of an amount using pictorial, bar models and abstract method.

Share 8 jelly beans between 2 friends.

$$8 \div 2 = 4$$

$$\frac{1}{2} \text{ of } 8 \text{ jelly beans} = 4 \text{ jelly beans}$$

The girls have been learning about the characteristics of living things. This has helped them to understand what makes plant and animals alive.
