for June:
Responsibility

Winterbourne Junior Girls' School

Year 6 Newsletter 34

Week ending: Friday, 16th June 2023

An exciting week coming up!

Next week will be an exciting one for the girls—on Monday we will be spending the day taking part in a 3D mark-making project, and on Wednesday we will be exploring musical instruments. Both of these activities are part of our Art Week. On Monday your daughter will need to bring in an empty single-use plastic water bottle and an item of clothing/fabric to be cut up; ask her for details! (She will also need to wear her PE kit to school on Monday.)

Thursday is the 75th anniversary of the Windrush arriving in Britain and we will be celebrating and commemorating this event with an art-based Enrichment Day.

This week

We have started our Transition programme with a book about positivity and opportunity which we will be working through over the next few weeks. In addition, we have begun our Music lessons for this term with Garage Band, an opportunity for the girls to make music digitally, learning about a range of instruments, time signatures, recording and music genres.

Star Students

- 6.1 Vanesa, Subeydo
- 6.2 Layla, Christiana, Sreya
- 6.3 Stella, Patricia L

Idiom of the Week

What well-known phrase or saying does this represent?

Bucket Fillers

- 6.1 - Farheen
- 6.2 - Hussain
- 6.3 - Lava

Word of the Week

invigorated
