Week ending: Friday, 30 June 2023

You are always responsible for how you act, no matter how you feel. Remember, that.

Year 3 Trip to Siri Guru Singh Sabha Gurdwara Croydon:

The girls had a great time visiting the Gurdwara. The girls have been learning about Sikhism for three half terms. Visiting the Gurdwara was a good experience for the girls as all their learning was reinforced by the educator. Many of the things they have been learning about were seen at the Gurdwara. The girls were also lucky to have had langar which is a free meal made for Sikhs, non-Sikhs and less fortunate people to share.

This week, the girls wrote a report about Naledi and Tiro's experience in Johannesburg. The girls learnt more about the Apartheid and what life was like for black people before 1994.

We have now started writing a newspaper report about Naledi and Tiro's journey to Jo'burg. We recapped the features of a newspaper report and we will continue this next week.

Maths:

The girls practiced drawing 2D shapes on squared paper with a grid unit of 1 cm. This was a great opportunity for the girls to apply their knowledge of horizontal/vertical lines, quadrilaterals, parallel/perpendicular lines, acute angles and obtuse angles.

Draw a triangle that has 1 obtuse angle.
