## Year 6 Newsletter 33

Week ending: Friday, 9th June 2023

### Bee Keeping Experience

We took a small group of girls on a trip to a bee-keeping site, where they had a fascinating talk from a local beekeeper about the different types of bees in a honeybee hive. We learned about drones and workers, and about the queen bee.

Then we put on our Bee suits and were able to go into the area where the hives are kept (the apiary) to actually open up a hive and see the bees inside, as well as the pollen and baby bee cells. Excitingly, we even got to see a new bee emerging from its cell—not something that even a beekeeper experiences every day!

### Star Students

- 6.1 Safiyyah, Sara, Zainab
- 6.2 Christiana, Tahera, Maria C
- 6.3 Assia, Zhema

### This week

The girls have been busy writing about Harry Potter, including some skilfully-crafted dialogue in which the reader learned all about the story through the words of the characters. They have worked hard to edit and improve their work.

Please ensure that your daughter brings her blazer to school—in warm weather she does not need to wear her school jumper. Please also ensure that she follows the SUNSAFE policy of SLIP (arms covered), SLOP (sunscreen), SLAP (on a hat), SEEK (shade) and SLIDE on some sunglasses
