Sports Day!

What a memorable day the Year 3 girls and the rest of the school had at the Croydon Arena. The girls were great sports and enjoyed supporting each other in the different races and field events. They participated in field events like accuracy throw, high jump, long jump and relay.

Natural History Museum in Central London is a fun place to visit (for FREE, booking required) in the summer holidays! There are lots of fossils to see there. Check out their website for more information: <https://www.nhm.ac.uk/>

Geography:

Year 3 worked in groups to make forecasts using global news and national news. They understood that a forecast is a prediction, or good guess, about the future.

They identified the main events in articles and thought about why this event seems likely to happen and what might stop this event from happening.
