

# Winterbourne Junior Girls' School

## Value - Courage

He who is not  
courageous enough to  
take risks will accomplish  
nothing in life.  
Muhammad Ali

## Year 4 Newsletter 38

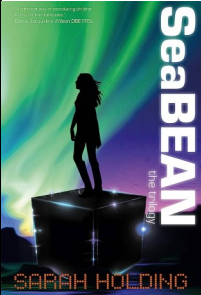

Week ending: Friday, 14 July 2023

Aspirations, Expectations, No Excuses - Vincam

### This Week...

#### English

This week we continued writing our diary entry for the first half of Chapter 7. We wrote in first person describing Charlie's thoughts and feeling and recording what happened.

#### Mathematics

We reviewed fractions this week.

#### PSHE

Through discussion, the girls identified what they are looking

forward to when they move to a new class next academic year. They also reflected on the changes they would like to make next year and described how to go about this.

#### Religious Education

We discussed the reasons why Christians go to church, why John Baptist is an important figure to Christians and why baptism is an important ceremony for Christians.

#### Sports Day, Monday

The children had a fantastic Sports Day

and thoroughly enjoyed every aspect of the day.

### Next Week...

**End of Term - School closes at 13:50 next Thursday, 20 July for the Summer Holidays**

### Design and Technology Day

The girls used the principles of the Eatwell Guide for food groups and additional research to **design** and plan a healthy sandwich. They then used their food preparation skills to **make** the sandwich. After this, they completed an **evaluation** sheet by answering the different questions about their finished product. They loved the day!

### Design and Technology Day Thursday, 13 July

### Sports Day
