Aspirations, Expectations, No Excuses

This Week...

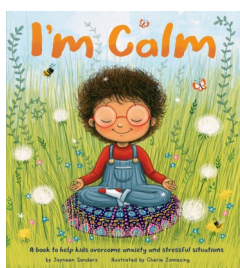

English

This week we started writing a diary entry about the C-Bean visiting Charlie in Hong Kong. The diary records Charlie's feelings as he shows his friend around the Habourside area that he lives in.

Mathematics

We reviewed problems that included time, weight and money.

We have also continued with our PSHE work about change and how we can cope with it. One great question was—'Why are we thinking so much about mental changes?' Being mentally prepared and planning how to cope with change can help us be less anxious.

The Summer Reading Challenge librarian visited the school this week. This is a great opportunity for children to visit the library and build up their reading skills over the Summer.
