

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending Friday 22nd September 2023

This week, pupils explored the Retrieval Skill in Reading Comprehension. They used the class' text to write informal letters as two characters.

On Tuesday, Class 5.2 enjoyed a morning of pizza making at Pizza Express in Valley Park.

In Science, pupils discussed the concepts of dissolving and methods of separating:

filtration, magnetism and sieving. Pupils made predictions for ways to separate materials, then experimented using these methods to separate mixtures.

Pupils discussed the term "commitment" and explored what it means to be committed to a cause. They researched and debated the idea: "We should not eat meat. Eating meat is cruel and barbaric". Pupils presented their ideas in the form of a class debate. This is a preface to their Hinduism topic.

Curriculum

Class Text: The Firework Maker's Daughter

English: Explanations

Math: Comparing Numbers

RE: Hinduism: How do Hindus show commitment to God?

Science Unit: Mysterious Materials
