Winterbourne Junior Girls' School

Year 6 Newsletter 3

Week ending: Friday, 22nd September 2023

This Week's Learning. In English writing, Year 6 used emotive language, imagery and dramatic punctuation to write their monologues in a role based on our class text 'Torn Apart'.

The reading skill focus this week was 'Summarising information'. The girls further developed

and practiced the skill during independent/guided reading and in the comprehension lessons.

In Science, Year 6 identified the part played by evaporation and condensation in the water cycle, and conducted an investigation to observe how the rate of evaporation is associated with

the temperature. The girls made their own water cycle using the zipped bags, which they will keep observing to notify how the phenomena works.

TFL Workshop

Year 6 had a brilliant workshop from the TfL representative, this week. This was an informative session about planning travel, and keeping safe when travelling to their Secondary Schools. Girls are now much better equipped when cycling, walking or using public transport safely. What a great workshop!
