### This Week...

#### Assessment Week

The girls completed their Grammar, Punctuation and Spelling Tests.

#### English The Iron Man

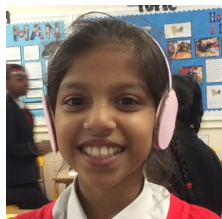

We wrote the body and tail of the newspaper report by describing events from the witnesses' perspective, quoting different opinions and analysing the structure and language of a newspaper report.

#### Mathematics

The girls learnt how to subtract with renaming in the thousands, hundreds, tens and ones columns.

#### Design and Technology/Science

We designed and made earmuffs using the scientific principles of sound.

#### Black History Month

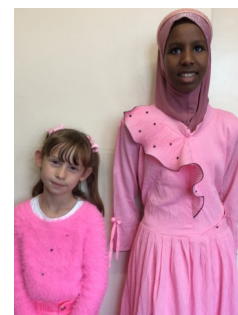

On Monday the girls were treated to an enrichment day focused on Black History Month. They moved from

class to class, teacher to teacher for their activities. We also focused on Mary Seacole this week. It would be worth asking your daughter what she learnt this week.
