# Winterbourne Junior Girls' School

## Year 6 Newsletter 7

**Week ending: Friday, 20th October 2023**

**Black History Enrichment Day** was packed with fun and creativity—The girls took part in 9 different activities to learn about the life journey of 9 very significant and highly successful black Britons, who are great role models for our younger generations. The follow up activities involved Art, D&T, Music, Sports, Science and Literature .  
**Here are some highlights of the day:**

Year 6 learnt about Dr Maggie Aderin-Pocock and re-created famous star constellations.

Girls made sculptures inspired by Yinka Shonibare:

Balloon powered racing cars (inspired by Lewis Hamilton)

**Wear it Pink Day**  
 Today we raised money for **Breast Cancer Now—The research and care charity for Breast Cancer.**  
 The girls enjoyed dressing in pink outfits and relaxing with their pink lemonade and pink fairy cakes. **Well done to all the girls for dressing up in pink and contributing to a very worthwhile cause. Thank you all.**
