

Ms. Clarke – P.E. Lead

I graduated with a BSC in Community Sports Coaching and then trained to be a qualified teacher. I've been a teacher for 5 years and have worked in a range of settings in and around London and have taught a range of year groups.

I hope that my experiences and in-depth knowledge of the curriculum will benefit your daughters' learning journey. I also hope to instil my passion for sports and dance in the children. In my spare time, I work with international students – this year, I enjoyed working with Latin American students, teaching them English. I am also the Subject Lead for PE here at WJGS.
