

Mrs. Gonzalez – MFL Lead

I have more than 10 years teaching experience in Primary and Secondary schools. I am the Spanish teacher, a class teacher, the Modern Foreign Language lead at WJGS.

I started my journey as a teacher more than ten years ago, after completed my degree in Hispanic Philology in University of Vigo and my Master's Degree in Spanish as a Second Language And Linguistics in University Complutense in Madrid.

WJGS has offered me the opportunity to do my teacher training in 2015 and since then I have become a part of WJGS Team.

I can speak English, Spanish, Portuguese fluently, and basic Italian which allows me to help parents or students around the school.

As a PE coordinator and MFL coordinator, I have planned and organised the curriculum and activities for the whole school e.g. the Spanish buddy project, Spanish festivals. PE competitions, Football League, Netball League...

In my spare time, I like to read, sing and play the guitar. These music skills have been used to teach girls this instrument and also to create performances across the school.
