Week ending: Friday, 10 November 2023

We've had a great week filled with lots of new learning and experiences!

English:

This week, the girls finished their set of instructions and we moved on to planning and writing a short story based on Egypt. The title of the story was 'A Wander in a Pyramid'. The stories were truly interesting to read as they used their imagination and their experiences of visiting the desert in Egypt, using a virtual reality headset.

Maths:

Year 3 finally consolidated their learning from the addition and subtraction chapter. We will still be practising our addition and subtraction skills in our learning. The girls started the multiplication unit. They have understood that multiply means groups of. They used this understanding to learn and recall the three times table.

History:

Year 3 had a look at the school timeline which goes from when Earth was formed, through BC, AD and present. This helped them to understand when the Lindow Man was alive and how long ago it really was. Next week, the girls will explore the Iron Age.
