We're working
towards Artsmark
Awarded by Arts
Council England

Week ending: Friday, 17 November 2023

Thank you for attending your daughter's first parent's evening at Winterbourne Junior Girls School. It was a pleasure to meet you and discuss your daughter's progress.

English:

Year 3 have been exploring the mummification process. They worked with their partners to research and retrieve key information about important key words. They researched about natron, Canopic jars, mummification and many more. They have now started writing a chronological report about how Ancient Egyptians created mummies.

Maths:

Year 3 have really grasped the concept of equal groups, groups of, commutative law and arrays in their maths lessons. They have been applying different strategies to find out the answers to the times tables. We have now shown Year 3 how to access Emille, an educational website to support your daughter's learning. Please encourage your daughter to practice their 3, 4 and 8 times tables on Emille.
