

Winterbourne Junior Girls' School

Year 5 Newsletter

Week ending Friday 3rd November 2023

This week, pupils completed their topic page for their History Unit: *Why would someone build a castle here?* They discussed an overview of the topic, identified what they already know, what they need to find out and made links to other aspects of the curriculum.

In Maths, pupils explored relationship among numbers with focus on identifying multiples, factors, common factors and prime numbers.

In addition, to Reading Comprehension in English, pupils planned and wrote a character description of one character in the class' novel. They described the character's personality traits and physical appearance.

Pupils have begun rehearsal for their Christmas production. They read through the script and have begun learning the accompanying songs.

Class 5.2 have started their six weeks of swimming at the Thornton Heath Leisure Centre, as part of the Year 5 PE curriculum.
