## Year 6 Newsletter 14

**Week ending: Friday, 15th December 2023**

In History this week, the girls concluded their final idea on when they believe was the best time to live in Britain. Using both primary and secondary sources, the girls analysed and interpreted their research to find the best evidence to back up their points and showed an understanding of the experiences and perspectives of people in the past.

### STEM Workshop

Half of the girls from Year 6 visited the IBM London offices today, where they had a fantastic opportunity to learn about robotics, coding and AI. The other half will be attending the workshop in January.

In PSHE this week, we discussed and debated what constitutes bullying behaviour and how to deal with it.

We discussed the emotions involved in such unpleasant situations and how we can deal with them.

We also explored the link between resilience and success. We considered what protected characteristics are according to the law,
