Year 4 Newsletter 12

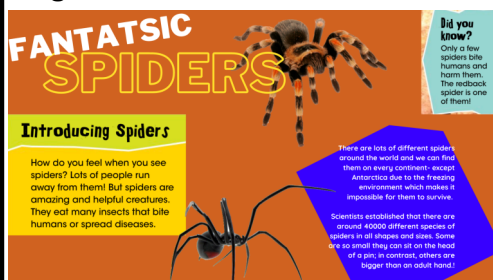

Week ending: Friday, 1 December 2023

Aspirations, Expectations, No Excuses

This Week...

English Charlotte's Webb

The girls continued writing their non-chronological report on spiders. In contrast to the recount they wrote last week, this type of report is in the present tense using the third person.

The girls also learnt how to use connective adverbs in describing how a spider builds its web.

Mathematics

We solved problems involving multiplication and division, learnt about the concepts of multiplying by 0 and 1 and dividing by 1, learnt about the Commutative Law of Multiplication and applied it to multiplying two numbers together and three numbers together.

History and Geography

We compared characteristics and aspects of the Romans in Britain

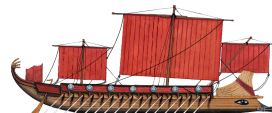

and the distinctive features of their daily life. We also described artefacts we experienced at Buster Ancient Farm and explained how they are used.

Science

We learnt about sail power and investigated how different shaped sails have an impact on how they harness the energy of wind.

Religious Education

The girls designed their own annotated Christingle and reflected on its meaning.
